AKASH OJHA

Full-Stack WordPress Developer

Backend & Frontend · Custom Themes & Plugins · WooCommerce · PHP · REST APIs

PROFESSIONAL SUMMARY

Full-Stack WordPress Developer with 6+ years of experience building custom WordPress websites, WooCommerce platforms, themes, plugins, APIs and complex business solutions. Delivers both backend architecture (PHP, plugins, MySQL, REST APIs) and frontend interfaces (HTML, CSS, JavaScript, responsive UI) for production business products.

PROFESSIONAL EXPERIENCE

WordPress Developer

June 2024 – Present

Elsner Technologies Pvt. Ltd.

- Developing and maintaining custom WordPress websites aligned to business requirements.
- Working across backend and frontend — PHP, themes, plugins, WooCommerce and JavaScript.
- Building and customising WordPress functionality, integrations and responsive interfaces.
- Troubleshooting WordPress issues and supporting performance and technical requirements.

Senior WordPress Developer

2019 – 2024

Insignia Technolabs

- Developed and maintained 40+ custom WordPress websites for client and product teams.
- Built custom WordPress themes and plugins; customised existing platforms for new features.
- Delivered WooCommerce solutions, payment gateway and third-party API integrations.
- Handled CRM/marketing integrations and migrated legacy websites to WordPress.
- Converted designs and mockups into responsive sites using PHP, JavaScript, HTML, CSS, AJAX and JSON.
- Troubleshoot complex WordPress issues; improved performance and SEO; communicated with clients on technical requirements.
